2nd SERB School in Avian Biology

8–21 March 2015

Department of Zoology and Environmental Science
Gurukula Kangri University, Haridwar, Uttarakhand

The Science and Engineering Research Board (SERB), a statutory body of the Department of Science and Technology, Government of India, has initiated a programme of School in Avian Biology. The aim of this School is to expose young researchers to current trends and advances in avian biology.

The current School is the second in this series and is being held at the Department of Zoology and Environmental Science, Gurukula Kangri University, Haridwar, Uttarakhand. The faculty of the School will include leading researchers of the country and abroad. The course will comprise lectures, labs, and field training covering key areas of research in avian biology.

The programme is open to students of life/physical/environmental sciences, currently pursuing M.Sc. (final year), M.Phil., Ph.D. and Post-doc in India. Young faculty members in their early research career may also apply. Those interested may apply with CV (photograph, date of birth, complete postal address with e-mail id and mobile no., educational qualifications with relevant details, training and professional experience in the research field, and a list of research publications if any), two recommendation letters, and a brief statement of purpose (in 250 words) to attend the School. Selected participants will be provided to and fro train fare (max. AC III train fare) and local hospitality. There is no registration fee.

Applications must reach on or before **10 January 2015** to **Prof. Dinesh Bhatt**, Dean, Faculty of Life Sciences, Gurukula Kangri University, Haridwar 249 404, Uttarakhand or by e-mail to avianschool2015@gmail.com. Please visit www.avianbiologyschool.org for further information.

International Institute of Biotechnology and Toxicology (IIBAT)

Padappai 601 301, Kancheepuram District, Tamil Nadu, India
Tel. No.: 044-2717 4246/2717 4266, Fax: 044-2717 4455

We are a GLP certified research facility, situated close to Tambaram, Chennai. We invite applications from eligible and experienced candidates to work with us on the following positions:

1. **Junior Scientist:** in Analytical Chemistry – B.Sc./M.Sc. with 1–3 years experience in handling instruments HPLC and GC. Candidates will be allowed to register for Ph.D. degree.
2. **Junior Scientist/Lab Technologist:** in Pathology – B.Sc. + MLT (Zoology, Biochemistry/Life sciences) with 0–2 years experience.
3. **Toxicologic Pathologist (Veterinary):** M.V.Sc. (Vet. Pathology) with 0–3 years experience.
4. **Junior Scientist (*in vitro*):** M.Sc., Microbiology or Biotechnology with 0–3 years experience.
5. **Research Scientist:** M.Sc. or M.V.Sc. with 3–5 years experience as Study Director with specialization in inhalation toxicity studies.

Apply to placement@iibat.com with detailed CV.
